

Batailles de nombres cubes-barres

Les 108 cartes de ce jeu contiennent chacune un nombre représenté sous forme :

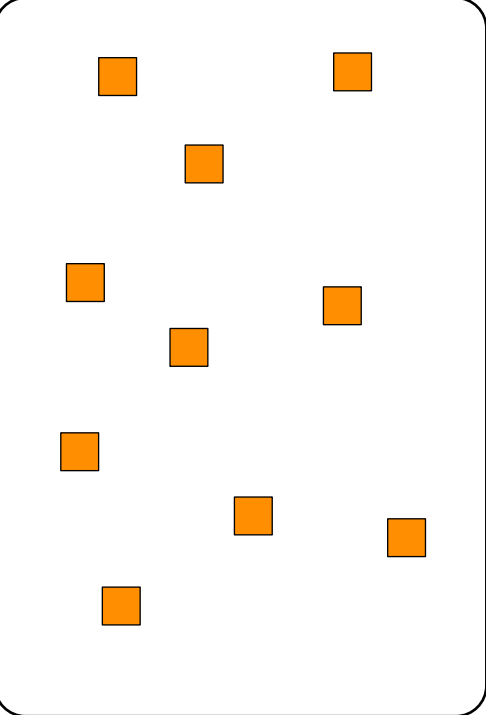

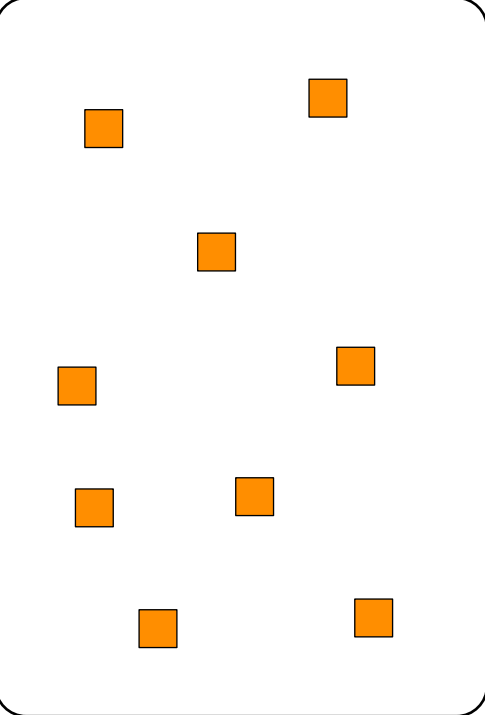

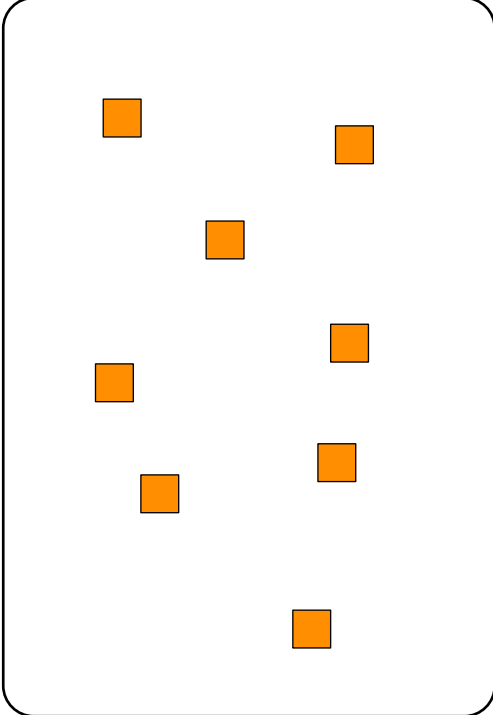

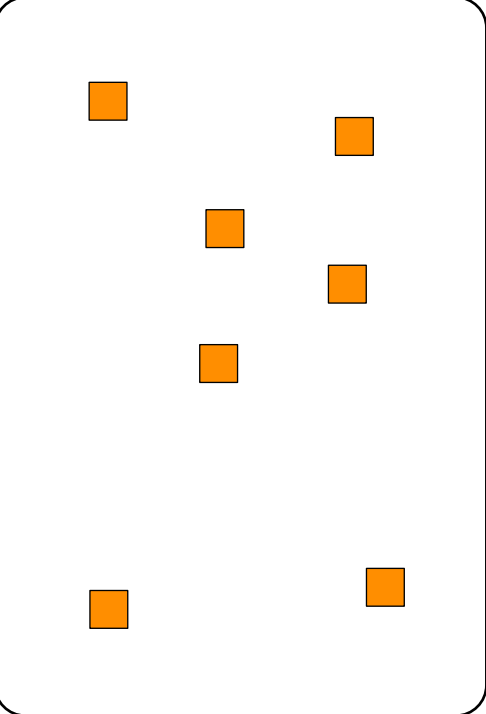

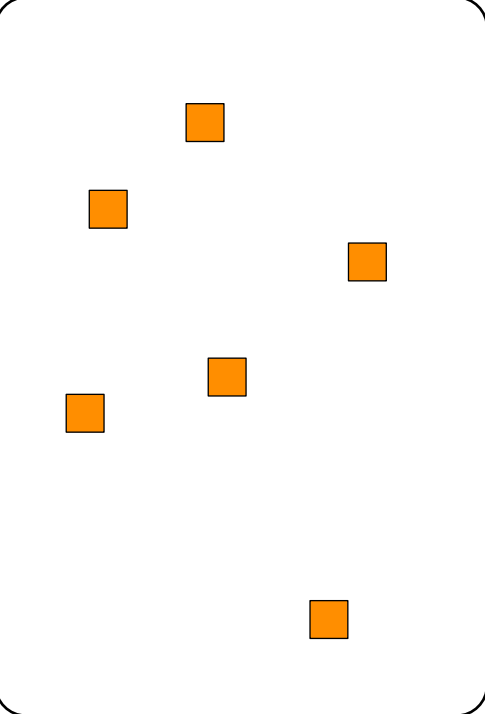

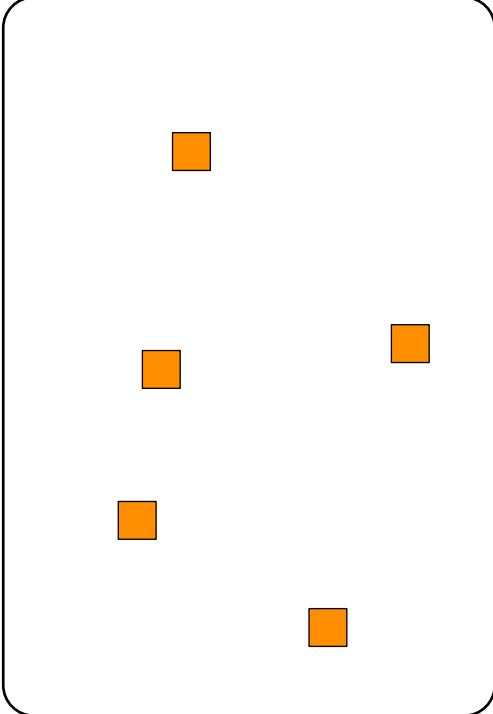

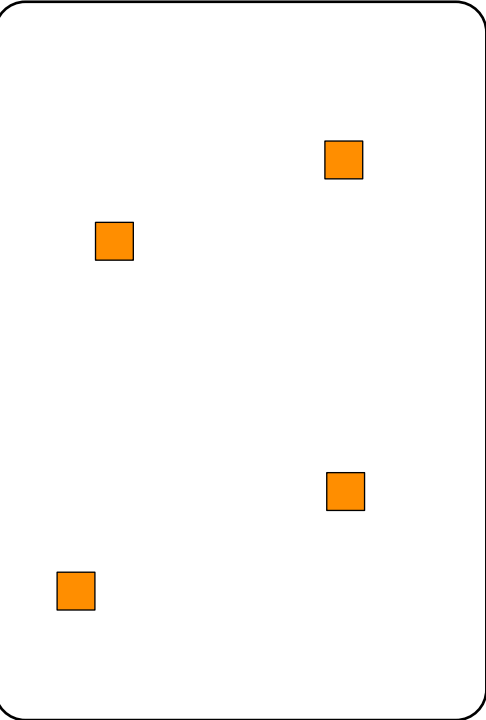

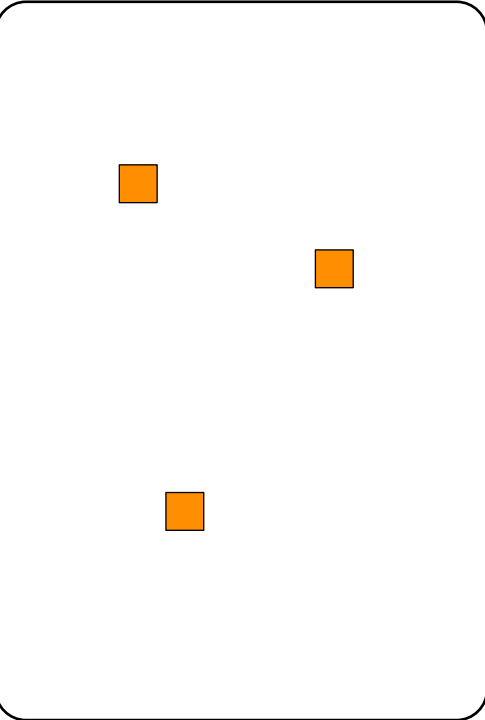

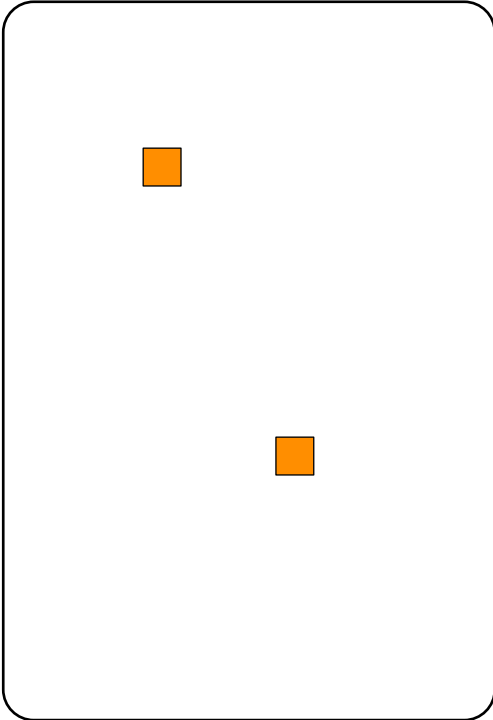

- de cubes et barres de cinq cubes,
- de cubes et barres de cinq cubes avec un nombre maximum de barres
- d'écriture chiffrée.

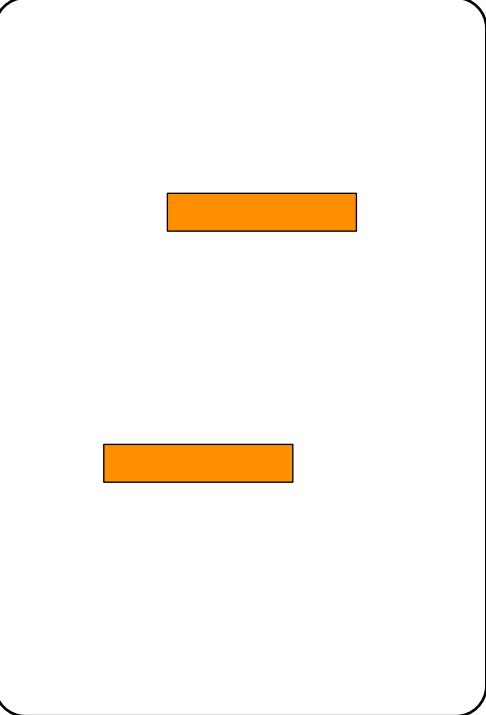

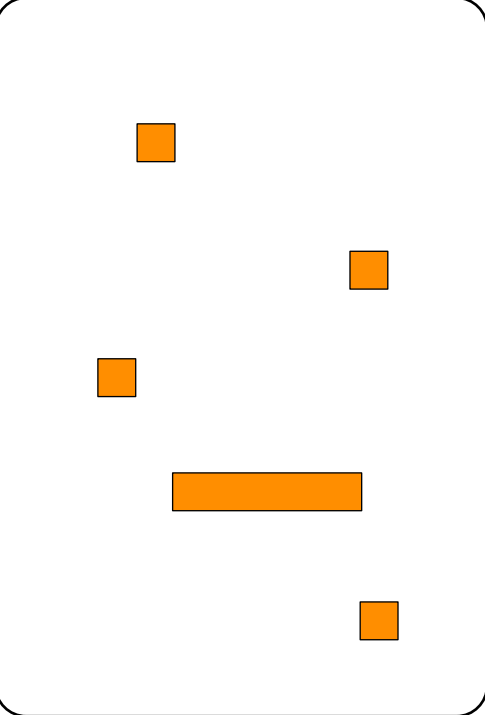

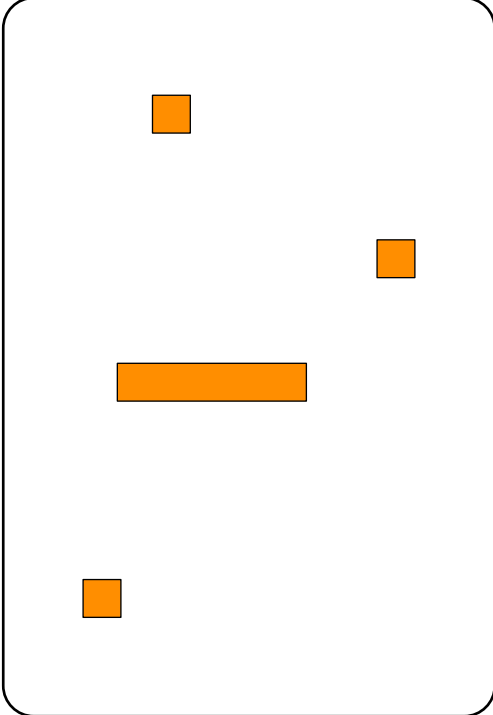

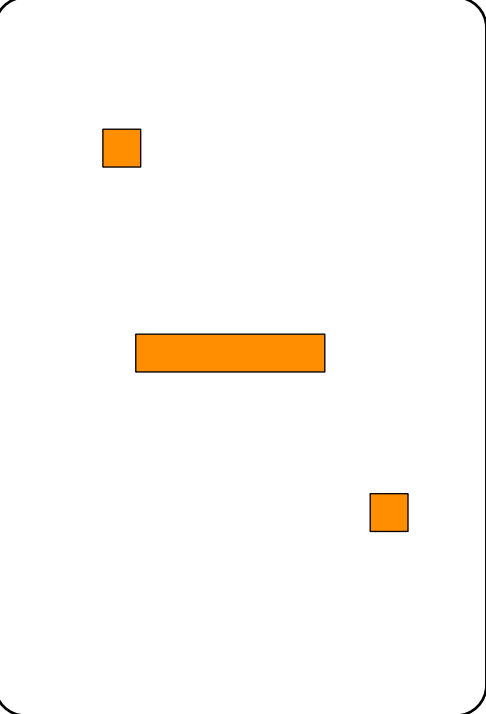

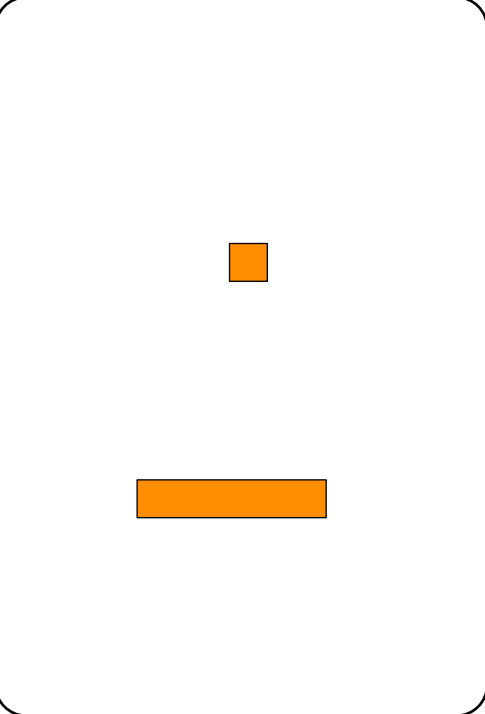

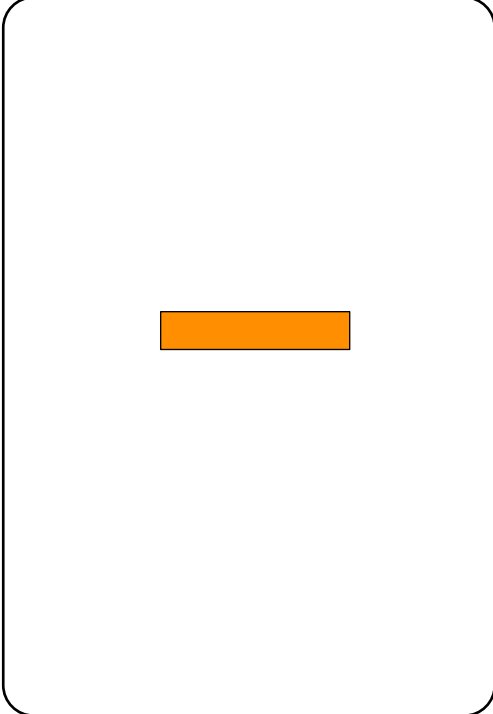

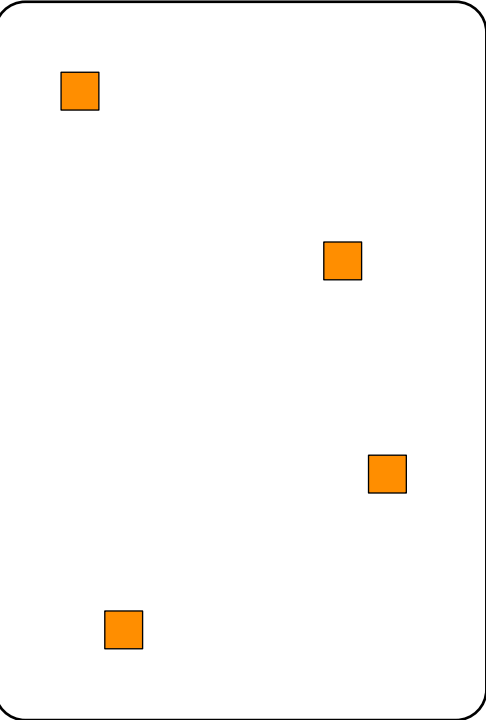

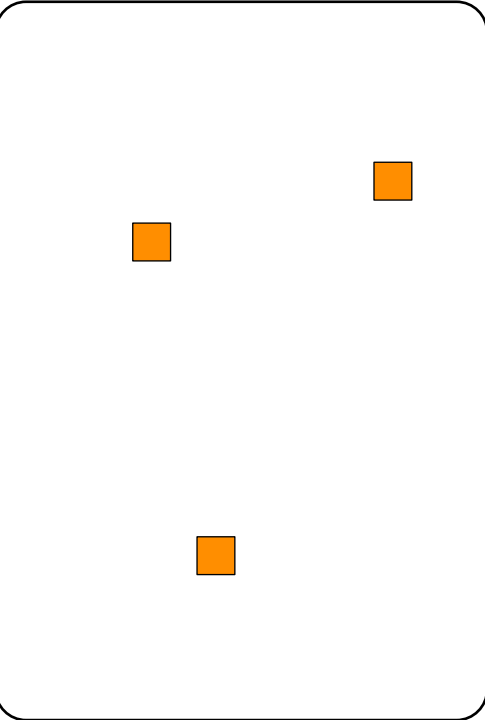

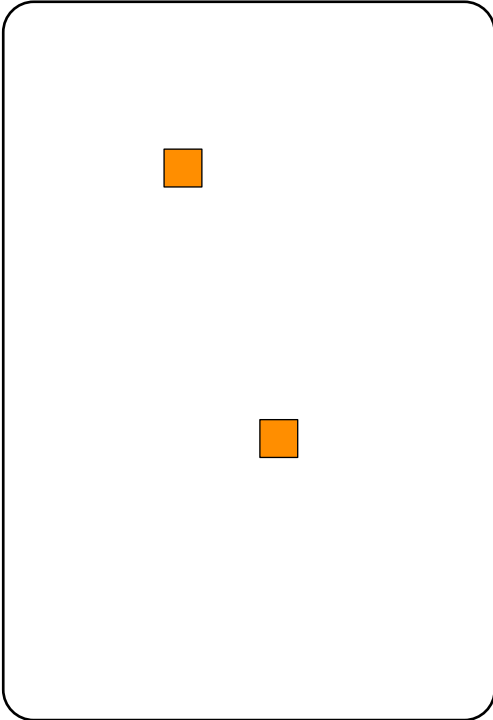

Elles figurent sous ces trois formes, les nombres de :

- 2 à 10,
- 11 à 19,
- 20 à 28,
- 29 à 37.

Chacun pourra choisir les nombres qui lui conviennent, sous au-moins deux formes différentes.

La règle est celle du jeu de bataille.
